Political Outlook as Viewed by President's Friends.

TIDE AGAINST ROOSEVELT

Change in Sentiment Reported From States in West.

Statement of Conditions Made by Secretary Thompson of the

White House Force.

Carmi Thompson, President Taft's secretary, will leave Washington tonight on the republican state chairman as to the campaign in that state, and will return o New Jersey for a similar conference. Mr. Thompson has been holding down the lid at the White House in the absence all directions showed such satisfactory

Information All Encouraging.

that he was exceedingly hopeful.

"All my information is uniformly encouraging," declared Mr. Thompson. "The tide is setting strong to Taft. The reasons for this are numerous, but in the desire for a continuation of prosperity and the thoroughly grounded opposition and twenty years of age, respectively, reof the Americans to any President holding sulted in the writing of a letter to Presioffice for a third term. There is now not the slightest possibility that Col. Roosevelt, the third term candidate, can be elected. He will be so badly distanced -CLEAR CEILING. Price that his defeat will clearly register the will of the people as to the indispensability of any man in the office of President. With that much settled, the people are rapidly revolving in their minds whether they will take chances on a new administration and the unsettled conditions that are almost sure to follow such an

"I am told by the best judges of political affairs that the western farmers, for a long time disposed to believe something was wrong in the conduct of the government, have reached the point where they believe that a change in the party in power would be inimical to their interests and probably cause such an upsetting in all directions as would materially lower the prices on farm products. When prosperity departs from the farm coffee store were given in a frenzy of it also leaves through the back doors of the homes of the workingmen and flies out of the windows of the business man,

the professional man and all other Conditions in Ohio.

"The big change in political sentiment that is going on is amply illustrated in the case of Ohio. Less than two months ago the third term candidate and his followers were claiming the state by a big vote. I know positively that they do not any longer make such claims, and frankly admit that they haven't any hope in the home of Mr. Taft. "Ohio farmers and workingmen know what it is to experience hard times. They

experienced this some years ago when they changed administrations, and once since under the man who is trying to ing is about the same thing that is shaping itself in the heads of voters in all other states. All of which means that Taft and the republican party are sy- jury numbering twenty-six. nonymous with good times and settled business and government."

Beautiful Vine Covers Fountain at Treasury Department. What many people consider the rarest

and most beautiful aquatic plant in the public grounds of Washington is that covering the fountain at the north front of the Treasury Department. In the center of the bowl of the fountain, covering the smaller bowl into which the fountain itself flows, is the vine, completely covering the center. The water flows out of the smaller bowl through the vines into the large reservoir. The vine is so unusual in its appearance as to attract much attention, especially from strangers. The Treasury has attempted for sev-

eral years to get this vine to make a showing, but it was not until this year that it took on the beautiful shape it The official name of the vine is myreo phylum prosefina cordes, which, in common English, means parrot's feather.

KANSAS FARMERS FRATERNAL

Those Who Have Saved Horses Lend Them to Less Fortunate.

HUTCHINSON, Aan., October 7 .- "Notice: The Lord has spared my stock Young Caspar was returning with the My horses have gone through the epicrowd from the ball park and was riding demic without loss and I have twenty on the running board of a 9th street car, head to loan to my less fortunate neighbors without charge for plowing. Those who need are welcome to them. (Signed) "PETER SCHOFIELD.

This notice, posted today at the country chool and store at Losser, Hodgeman county, is typical of the co-operation of the farmers following the passing of the orse plague, the worst disaster that has befallen central and western Kansas since the grasshopper invasion of the seventies. The free lending of horses and free transportation of traction engines to pull plows is making it possible for many farmers who lost their horses to put in their crops.
